The image shows a close-up of a man's face on the left side, partially cut off by the edge of the frame. He has a beard and is looking towards the camera. Overlaid on the right side is a large, light blue circular graphic. Inside the circle, the words "SPEAKER LAB" are written in a bold, sans-serif font, arranged in a semi-circle. The background is a soft, out-of-focus indoor setting.

Despite starting my speaking career with no audience, no following, and no network, I've earned over **\$2+ million from 500+ paid** engagements all over the world. I've done everything from closed-door workshops to keynotes in front of **13,000 people.** And I did all of that **without using traditional booking agents or speaker bureaus.**

The Speaker Lab is the resource I wish I had when I began my speaking journey. We help aspiring speakers get consistently booked and paid to speak through our **SPEAK Framework** (<https://thespeakerlab.com/how-the-speak-framework-helped-me-build-a-7-figure-speaking-career/>), or the “business” side of speaking.
